

TOP TIPS FOR EDUCATORS

HOW TO BUILD COMMUNITY IN YOUR ONLINE CLASSROOM

Connect Students

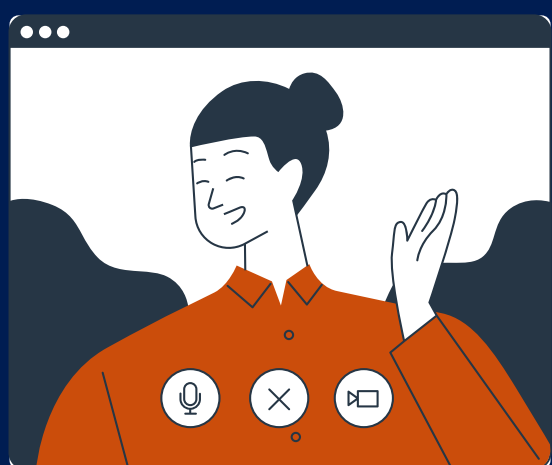

Start the class off with introductions and provide opportunities for student collaboration throughout the class.

Be Present

Ensure consistent and timely feedback and consider sharing comments in an audio or video format to add personalization.

Communicate

Make your communication expectations clear to students, hold consistent office hours, and provide a space for conversation.

Encompass the Institution

Incorporate school photos and share campus events to help students feel connected to the broader school community.
