Maximize Your ONLINE LEARNING

5 Tips for Successful Online Students

01 SET YOURSELF UP FOR SUCCESS
Your learning environment is important. Stay organized and focused with a dedicated study space.

02 MANAGE YOUR TIME
Utilize the term calendar and course syllabus to create and maintain a schedule that effectively prioritizes your time.

03 MAKE CONNECTIONS
Your fellow students and faculty are invaluable resources for networking, support, and learning.

04 MAINTAIN YOUR MOTIVATION
Stay focused on your goals to fuel the motivation and energy you need to succeed.

05 SEEK BALANCE AND SUPPORT
Make sure to set time aside to take care of yourself and find balance. Build a network of support—like the UNH Online Student Success Team!
