ONLINE COURSE SUCCESS

EVIDENCE-INFORMED COURSE DESIGN

Provides students with clear, consistent, and accessible online learning environments for learning success.

KEYS TO SUCCESS: Consultation with learning design teams to explore opportunities to align activities, assignments, technology, and assessments to course materials and learning objectives.

COURSES OPEN 1 WEEK BEFORE TERM START

Helps adult learners review expectations and develop class schedules around busy professional and personal lives.

KEYS TO SUCCESS: Final syllabus with assignments, dates, and assessments uploaded; Module 1 and welcoming home page visible; send students a welcome email including contact info and availability.

FACULTY ENGAGEMENT

Highly engaged faculty contribute to student satisfaction, learning, well-being, motivation, and achievement.

KEYS TO SUCCESS: Consistent engagement in courses through online communications, relevant and current course content, and feedback.
